ABOUT US

The **4th Edition of the Chemistry World Conference** was held from **June 17-19, 2024**, in **Paris, France** organized by Magnus Group. This prestigious event aimed to bring together leading scientists, researchers, academicians, and industry professionals from around the world to explore the theme of **“Evolutionizing Chemistry: Unveiling Breakthroughs to Shape Future Objectives”**

The sessions at the Chemistry Meetings were thoughtfully curated to cover a wide range of topics, ensuring a comprehensive exploration of the field. Participants had the opportunity to delve into areas such as green chemistry, nanotechnology, materials science, drug discovery, catalysis, and sustainable energy solutions. Each session provided a platform for

researchers to present their cutting-edge research findings, engage in discussions, and explore potential collaborations. This diverse range of topics facilitated interdisciplinary connections and inspired attendees to think beyond their respective areas of expertise.

In addition to the sessions, the Chemistry Hybrid Conferences offered interactive workshops, poster presentations, and panel discussions. The Chemistry Workshops focused on specific areas of interest, providing participants with hands-on experiences and practical knowledge.
